leading independent economists*

Dr JIM WALKER

his thoughts

"**Dr Jim**" is considered by Asian financial and business circles as one of **the region's leading independent economists** and is particularly well known for his **candid** presentations and for **taking a position** and defending it!

Based in **Hong Kong** with over **25 years** of experience as an economist, including 17 years in Asia, Jim was formerly the Chief Economist at **CLSA** Asia-Pacific Markets. He left to set up **Asianomics** in 2007 to become a truly independent economic research company providing insights and analysis on investment in various markets. Asianomics was acquired by Aletheia Capital in 2018.

His strong expertise is in watching key **Asian markets** - especially **China**, **India** and **Japan**, conducting macroeconomic analyses and forecasts of Asia/Pacific and advising on policy and strategy.
